Representative Mike Schultz proposes the following substitute bill:

PROFESSIONAL LICENSING AMENDMENTS

2019 GENERAL SESSION

STATE OF UTAH

Chief Sponsor: Mike Schultz

Senate Sponsor: _____

LONG TITLE

General Description:

This bill modifies provisions of the ~~{Utah Construction Trades}~~Division of Occupational and Professional Licensing Act (the act).

Highlighted Provisions:

This bill:

- ▶ modifies licensing by endorsement provisions of the act;
 - ▶ modifies testing, course work, ~~{and}~~ experience, and continuing education requirements for certain contractor licenses~~†~~.
- ~~†~~:
- ▶ modifies direct supervision requirements and other licensing requirements for apprentice plumbers and electricians; and
 - ▶ makes technical changes.

HB0187S01 compared with HB0187

Money Appropriated in this Bill:

None

Other Special Clauses:

None

Utah Code Sections Affected:

AMENDS:

58-1-302, as last amended by Laws of Utah 2018, Chapter 198

58-55-102, as last amended by Laws of Utah 2018, Chapter 281

58-55-201, as last amended by Laws of Utah 2008, Chapter 215

58-55-302, as last amended by Laws of Utah 2017, Chapter 411

58-55-302.5, as last amended by Laws of Utah 2017, Chapters 363 and 411

58-55-305, as last amended by Laws of Utah 2018, Chapter 318

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 58-1-302 is amended to read:

58-1-302. License by endorsement.

~~[(1) As used in this section:]~~

~~[(a) "Domicile" means the place where an individual has a fixed permanent home:]~~

~~[(b) "Resident" means an individual who:]~~

~~[(i) has established a domicile in this state;]~~

~~[(ii) engages in a trade, profession, or occupation in this state, or who accepts employment in other than seasonal work in this state, and who does not commute into the state; and]~~

~~[(iii) holds an unexpired Utah driver license issued under Title 53, Chapter 3, Part 2, Driver Licensing Act, or an unexpired Utah identification card issued under Title 53, Chapter 3, Part 8, Identification Card Act.]~~

~~[(2)]~~ (1) Subject to Subsections ~~[(3), (4), and (5)]~~ (2), (3), and (4), the division may issue a license without examination to a resident person who has been licensed in a state, district, or territory of the United States or in a foreign country if:

(a) the division determines the education, experience, and examination requirements of the state, district, or territory of the United States or the foreign country, at the time the license

HB0187S01 compared with HB0187

was issued, were substantially equal to the current requirements of this state; or

(b) after being licensed outside of this state, the ~~resident~~ person has at least one year of experience in the state, district, or territory of the United States where the license was issued, and the division determines the ~~resident~~ person has the education, experience, and skills necessary to demonstrate competency in the occupation or profession for which licensure is sought.

~~(3)~~ (2) The division, in consultation with the applicable licensing board, may make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, prescribing the requirements of Subsection ~~(2)~~ (1).

~~(4)~~ (3) Before a resident may be issued a license under this section, the resident shall:

(a) pay a fee determined by the department under Section 63J-1-504; and

(b) produce satisfactory evidence of the resident's identity, qualifications, and good standing in the occupation or profession for which licensure is sought.

~~(5)~~ (4) In accordance with Section 58-1-107, licensure endorsement provisions in this section may be supplemented or altered by licensure endorsement provisions or multistate licensure compacts in specific chapters of this title.

Section 2. Section 58-55-102 is amended to read:

58-55-102. Definitions.

In addition to the definitions in Section 58-1-102, as used in this chapter:

(1) (a) "Alarm business or company" means a person engaged in the sale, installation, maintenance, alteration, repair, replacement, servicing, or monitoring of an alarm system, except as provided in Subsection (1)(b).

(b) "Alarm business or company" does not include:

(i) a person engaged in the manufacture or sale of alarm systems unless:

(A) that person is also engaged in the installation, maintenance, alteration, repair, replacement, servicing, or monitoring of alarm systems;

(B) the manufacture or sale occurs at a location other than a place of business established by the person engaged in the manufacture or sale; or

(C) the manufacture or sale involves site visits at the place or intended place of installation of an alarm system; or

(ii) an owner of an alarm system, or an employee of the owner of an alarm system who

HB0187S01 compared with HB0187

is engaged in installation, maintenance, alteration, repair, replacement, servicing, or monitoring of the alarm system owned by that owner.

(2) "Alarm company agent":

(a) except as provided in Subsection (2)(b), means any individual employed within this state by an alarm business; and

(b) does not include an individual who:

(i) is not engaged in the sale, installation, maintenance, alteration, repair, replacement, servicing, or monitoring of an alarm system; and

(ii) does not, during the normal course of the individual's employment with an alarm business, use or have access to sensitive alarm system information.

(3) "Alarm system" means equipment and devices assembled for the purpose of:

(a) detecting and signaling unauthorized intrusion or entry into or onto certain premises; or

(b) signaling a robbery or attempted robbery on protected premises.

(4) "Apprentice electrician" means a person licensed under this chapter as an apprentice electrician who is learning the electrical trade under the immediate supervision of a master electrician, residential master electrician, a journeyman electrician, or a residential journeyman electrician.

(5) "Apprentice plumber" means a person licensed under this chapter as an apprentice plumber who is learning the plumbing trade under the immediate supervision of a master plumber, residential master plumber, journeyman plumber, or a residential journeyman plumber.

(6) "Approved continuing education" means instruction provided through courses under a program established under Subsection 58-55-302.5(2).

(7) (a) "Approved preclicensure course provider" means a provider that is approved by the commission with the concurrence of the director, and that meets the requirements established by rule by the commission with the concurrence of the director, to teach the 25-hour course described in Subsection 58-55-302(1)(e)(iii).

(b) "Approved preclicensure course provider" may only include a provider that, in addition to any other locations, offers the 25-hour course described in Subsection 58-55-302(1)(e)(iii) at least six times each year in one or more counties other than Salt Lake

HB0187S01 compared with HB0187

County, Utah County, Davis County, or Weber County.

(8) "Board" means the Electrician Licensing Board, Alarm System Security and Licensing Board, or Plumbers Licensing Board created in Section 58-55-201.

(9) "Combustion system" means an assembly consisting of:

(a) piping and components with a means for conveying, either continuously or intermittently, natural gas from the outlet of the natural gas provider's meter to the burner of the appliance;

(b) the electric control and combustion air supply and venting systems, including air ducts; and

(c) components intended to achieve control of quantity, flow, and pressure.

(10) "Commission" means the Construction Services Commission created under Section 58-55-103.

(11) "Construction trade" means any trade or occupation involving:

(a) (i) construction, alteration, remodeling, repairing, wrecking or demolition, addition to, or improvement of any building, highway, road, railroad, dam, bridge, structure, excavation or other project, development, or improvement to other than personal property; and

(ii) constructing, remodeling, or repairing a manufactured home or mobile home as defined in Section 15A-1-302; or

(b) installation or repair of a residential or commercial natural gas appliance or combustion system.

(12) "Construction trades instructor" means a person licensed under this chapter to teach one or more construction trades in both a classroom and project environment, where a project is intended for sale to or use by the public and is completed under the direction of the instructor, who has no economic interest in the project.

(13) (a) "Contractor" means any person who for compensation other than wages as an employee undertakes any work in the construction, plumbing, or electrical trade for which licensure is required under this chapter and includes:

(i) a person who builds any structure on the person's own property for the purpose of sale or who builds any structure intended for public use on the person's own property;

(ii) any person who represents that the person is a contractor, or will perform a service described in this Subsection (13), by advertising on a website or social media, or any other

HB0187S01 compared with HB0187

means;

(iii) any person engaged as a maintenance person, other than an employee, who regularly engages in activities set forth under the definition of "construction trade";

(iv) any person engaged in, or offering to engage in, any construction trade for which licensure is required under this chapter; or

(v) a construction manager, construction consultant, construction assistant, or any other person who, for a fee:

(A) performs or offers to perform construction consulting;

(B) performs or offers to perform management of construction subcontractors;

(C) provides or offers to provide a list of subcontractors or suppliers; or

(D) provides or offers to provide management or counseling services on a construction project.

(b) "Contractor" does not include:

(i) an alarm company or alarm company agent; or

(ii) a material supplier who provides consulting to customers regarding the design and installation of the material supplier's products.

(14) (a) "Electrical trade" means the performance of any electrical work involved in the installation, construction, alteration, change, repair, removal, or maintenance of facilities, buildings, or appendages or appurtenances.

(b) "Electrical trade" does not include:

(i) transporting or handling electrical materials;

(ii) preparing clearance for raceways for wiring; or

(iii) work commonly done by unskilled labor on any installations under the exclusive control of electrical utilities.

(c) For purposes of Subsection (14)(b):

(i) no more than one unlicensed person may be so employed unless more than five licensed electricians are employed by the shop; and

(ii) a shop may not employ unlicensed persons in excess of the five-to-one ratio permitted by this Subsection (14)(c).

(15) "Elevator" means the same as that term is defined in Section 34A-7-202, except that for purposes of this chapter it does not mean a stair chair, a vertical platform lift, or an

HB0187S01 compared with HB0187

incline platform lift.

(16) "Elevator contractor" means a sole proprietor, firm, or corporation licensed under this chapter that is engaged in the business of erecting, constructing, installing, altering, servicing, repairing, or maintaining an elevator.

(17) "Elevator mechanic" means an individual who is licensed under this chapter as an elevator mechanic and who is engaged in erecting, constructing, installing, altering, servicing, repairing, or maintaining an elevator under the immediate supervision of an elevator contractor.

(18) "Employee" means an individual as defined by the division by rule giving consideration to the definition adopted by the Internal Revenue Service and the Department of Workforce Services.

(19) "Engage in a construction trade" means to:

(a) engage in, represent oneself to be engaged in, or advertise oneself as being engaged in a construction trade; or

(b) use the name "contractor" or "builder" or in any other way lead a reasonable person to believe one is or will act as a contractor.

(20) (a) "Financial responsibility" means a demonstration of a current and expected future condition of financial solvency evidencing a reasonable expectation to the division and the board that an applicant or licensee can successfully engage in business as a contractor without jeopardy to the public health, safety, and welfare.

(b) Financial responsibility may be determined by an evaluation of the total history concerning the licensee or applicant including past, present, and expected condition and record of financial solvency and business conduct.

(21) "Gas appliance" means any device that uses natural gas to produce light, heat, power, steam, hot water, refrigeration, or air conditioning.

(22) (a) "General building contractor" means a person licensed under this chapter as a general building contractor qualified by education, training, experience, and knowledge to perform or superintend construction of structures for the support, shelter, and enclosure of persons, animals, chattels, or movable property of any kind or any of the components of that construction except plumbing, electrical work, mechanical work, work related to the operating integrity of an elevator, and manufactured housing installation, for which the general building contractor shall employ the services of a contractor licensed in the particular specialty, except

HB0187S01 compared with HB0187

that a general building contractor engaged in the construction of single-family and multifamily residences up to four units may perform the mechanical work and hire a licensed plumber or electrician as an employee.

(b) The division may by rule exclude general building contractors from engaging in the performance of other construction specialties in which there is represented a substantial risk to the public health, safety, and welfare, and for which a license is required unless that general building contractor holds a valid license in that specialty classification.

(23) (a) "General electrical contractor" means a person licensed under this chapter as a general electrical contractor qualified by education, training, experience, and knowledge to perform the fabrication, construction, and installation of generators, transformers, conduits, raceways, panels, switch gear, electrical wires, fixtures, appliances, or apparatus that uses electrical energy.

(b) The scope of work of a general electrical contractor may be further defined by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(24) (a) "General engineering contractor" means a person licensed under this chapter as a general engineering contractor qualified by education, training, experience, and knowledge to perform construction of fixed works in any of the following: irrigation, drainage, water, power, water supply, flood control, inland waterways, harbors, railroads, highways, tunnels, airports and runways, sewers and bridges, refineries, pipelines, chemical and industrial plants requiring specialized engineering knowledge and skill, piers, and foundations, or any of the components of those works.

(b) A general engineering contractor may not perform construction of structures built primarily for the support, shelter, and enclosure of persons, animals, and chattels.

(25) (a) "General plumbing contractor" means a person licensed under this chapter as a general plumbing contractor qualified by education, training, experience, and knowledge to perform the fabrication or installation of material and fixtures to create and maintain sanitary conditions in a building by providing permanent means for a supply of safe and pure water, a means for the timely and complete removal from the premises of all used or contaminated water, fluid and semi-fluid organic wastes and other impurities incidental to life and the occupation of such premises, and a safe and adequate supply of gases for lighting, heating, and

HB0187S01 compared with HB0187

industrial purposes.

(b) The scope of work of a general plumbing contractor may be further defined by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(26) "Immediate supervision" means reasonable direction, oversight, inspection, and evaluation of the work of a person:

- (a) as the division specifies in rule;
- (b) by, as applicable, a qualified electrician or plumber;
- (c) as part of a planned program of training; and
- (d) to ensure that the end result complies with applicable standards.

(27) "Individual" means a natural person.

(28) "Journeyman electrician" means a person licensed under this chapter as a journeyman electrician having the qualifications, training, experience, and knowledge to wire, install, and repair electrical apparatus and equipment for light, heat, power, and other purposes.

(29) "Journeyman plumber" means a person licensed under this chapter as a journeyman plumber having the qualifications, training, experience, and technical knowledge to engage in the plumbing trade.

(30) "Master electrician" means a person licensed under this chapter as a master electrician having the qualifications, training, experience, and knowledge to properly plan, layout, and supervise the wiring, installation, and repair of electrical apparatus and equipment for light, heat, power, and other purposes.

(31) "Master plumber" means a person licensed under this chapter as a master plumber having the qualifications, training, experience, and knowledge to properly plan and layout projects and supervise persons in the plumbing trade.

(32) "Person" means a natural person, sole proprietorship, joint venture, corporation, limited liability company, association, or organization of any type.

(33) (a) "Plumbing trade" means the performance of any mechanical work pertaining to the installation, alteration, change, repair, removal, maintenance, or use in buildings, or within three feet beyond the outside walls of buildings, of pipes, fixtures, and fittings for the:

- (i) delivery of the water supply;
- (ii) discharge of liquid and water carried waste;

HB0187S01 compared with HB0187

(iii) building drainage system within the walls of the building; and

(iv) delivery of gases for lighting, heating, and industrial purposes.

(b) "Plumbing trade" includes work pertaining to the water supply, distribution pipes, fixtures and fixture traps, soil, waste and vent pipes, the building drain and roof drains, and the safe and adequate supply of gases, together with their devices, appurtenances, and connections where installed within the outside walls of the building.

(34) ~~[(a)]~~ "Ratio of apprentices" means ~~[, for the purpose of determining compliance with the requirements for planned programs of training and electrician apprentice licensing applications, the shop ratio of apprentice electricians to journeyman or master electricians shall be one journeyman or master electrician to one apprentice on industrial and commercial work, and one journeyman or master electrician to three apprentices on residential work.]~~

~~— (b) On-the-job training shall be under circumstances in which the ratio of apprentices to supervisors is in accordance with a ratio of one-to-one on nonresidential work and up to three apprentices to one supervisor on residential projects.]~~ the number of licensed plumber apprentices or licensed electrician apprentices that are allowed to be under the immediate supervision of a licensed supervisor as established by the provisions of this chapter and by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(35) "Residential and small commercial contractor" means a person licensed under this chapter as a residential and small commercial contractor qualified by education, training, experience, and knowledge to perform or superintend the construction of single-family residences, multifamily residences up to four units, and commercial construction of not more than three stories above ground and not more than 20,000 square feet, or any of the components of that construction except plumbing, electrical work, mechanical work, and manufactured housing installation, for which the residential and small commercial contractor shall employ the services of a contractor licensed in the particular specialty, except that a residential and small commercial contractor engaged in the construction of single-family and multifamily residences up to four units may perform the mechanical work and hire a licensed plumber or electrician as an employee.

(36) "Residential building," as it relates to the license classification of residential journeyman plumber and residential master plumber, means a single or multiple family

HB0187S01 compared with HB0187

dwelling of up to four units.

(37) (a) "Residential electrical contractor" means a person licensed under this chapter as a residential electrical contractor qualified by education, training, experience, and knowledge to perform the fabrication, construction, and installation of services, disconnecting means, grounding devices, panels, conductors, load centers, lighting and plug circuits, appliances, and fixtures in a residential unit.

(b) The scope of work of a residential electrical contractor may be further defined by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(38) "Residential journeyman electrician" means a person licensed under this chapter as a residential journeyman electrician having the qualifications, training, experience, and knowledge to wire, install, and repair electrical apparatus and equipment for light, heat, power, and other purposes on buildings using primarily nonmetallic sheath cable.

(39) "Residential journeyman plumber" means a person licensed under this chapter as a residential journeyman plumber having the qualifications, training, experience, and knowledge to engage in the plumbing trade as limited to the plumbing of residential buildings.

(40) "Residential master electrician" means a person licensed under this chapter as a residential master electrician having the qualifications, training, experience, and knowledge to properly plan, layout, and supervise the wiring, installation, and repair of electrical apparatus and equipment for light, heat, power, and other purposes on residential projects.

(41) "Residential master plumber" means a person licensed under this chapter as a residential master plumber having the qualifications, training, experience, and knowledge to properly plan and layout projects and supervise persons in the plumbing trade as limited to the plumbing of residential buildings.

(42) (a) "Residential plumbing contractor" means a person licensed under this chapter as a residential plumbing contractor qualified by education, training, experience, and knowledge to perform the fabrication or installation of material and fixtures to create and maintain sanitary conditions in residential buildings by providing permanent means for a supply of safe and pure water, a means for the timely and complete removal from the premises of all used or contaminated water, fluid and semi-fluid organic wastes and other impurities incidental to life and the occupation of such premises, and a safe and adequate supply of gases

HB0187S01 compared with HB0187

for lighting, heating, and industrial purposes.

(b) The scope of work of a residential plumbing contractor may be further defined by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(43) "Residential project," as it relates to an electrician or electrical contractor, means buildings primarily wired with nonmetallic sheathed cable, in accordance with standard rules and regulations governing this work, including the National Electrical Code, and in which the voltage does not exceed 250 volts line to line and 125 volts to ground.

(44) "Sensitive alarm system information" means:

(a) a pass code or other code used in the operation of an alarm system;

(b) information on the location of alarm system components at the premises of a customer of the alarm business providing the alarm system;

(c) information that would allow the circumvention, bypass, deactivation, or other compromise of an alarm system of a customer of the alarm business providing the alarm system; and

(d) any other similar information that the division by rule determines to be information that an individual employed by an alarm business should use or have access to only if the individual is licensed as provided in this chapter.

(45) (a) "Specialty contractor" means a person licensed under this chapter under a specialty contractor classification established by rule, who is qualified by education, training, experience, and knowledge to perform those construction trades and crafts requiring specialized skill, the regulation of which are determined by the division to be in the best interest of the public health, safety, and welfare.

(b) A specialty contractor may perform work in crafts or trades other than those in which the specialty contractor is licensed if they are incidental to the performance of the specialty contractor's licensed craft or trade.

(46) "Unincorporated entity" means an entity that is not:

(a) an individual;

(b) a corporation; or

(c) publicly traded.

(47) "Unlawful conduct" means the same as that term is defined in Sections 58-1-501

HB0187S01 compared with HB0187

and 58-55-501.

(48) "Unprofessional conduct" means the same as that term is defined in Sections 58-1-501 and 58-55-502 and as may be further defined by rule.

(49) "Wages" means amounts due to an employee for labor or services whether the amount is fixed or ascertained on a time, task, piece, commission, or other basis for calculating the amount.

Section 3. Section 58-55-201 is amended to read:

58-55-201. Boards created -- Duties.

(1) There is created a Plumbers Licensing Board, an Alarm System Security and Licensing Board, and an Electricians Licensing Board. Members of the boards shall be selected to provide representation as follows:

(a) The Plumbers Licensing Board consists of five members as follows:

(i) two members shall be licensed from among the license classifications of master or journeyman plumber;

(ii) two members shall be licensed plumbing contractors; and

(iii) one member shall be from the public at large with no history of involvement in the construction trades.

(b) (i) The Alarm System Security and Licensing Board consists of five members as follows:

(A) three individuals who are officers or owners of a licensed alarm business;

(B) one individual from among nominees of the Utah Peace Officers Association; and

(C) one individual representing the general public.

(ii) The Alarm System Security and Licensing Board shall designate one of its members on a permanent or rotating basis to:

(A) assist the division in reviewing complaints concerning the unlawful or unprofessional conduct of a licensee; and

(B) advise the division in its investigation of these complaints.

(iii) A board member who has, under this Subsection (1)(b)(iii), reviewed a complaint or advised in its investigation is disqualified from participating with the board when the board serves as a presiding officer in an adjudicative proceeding concerning the complaint.

(c) The Electricians Licensing Board consists of five members as follows:

HB0187S01 compared with HB0187

(i) two members shall be licensed from among the license classifications of master or journeyman electrician, of whom one shall represent a union organization and one shall be selected having no union affiliation;

(ii) two shall be licensed electrical contractors of whom one shall represent a union organization and one shall be selected having no union affiliation; and

(iii) one member shall be from the public at large with no history of involvement in the construction trades or union affiliation.

(2) The duties, functions, and responsibilities of each board include the following:

(a) recommending to the commission appropriate rules;

(b) recommending to the commission policy and budgetary matters;

(c) approving and establishing a passing score for applicant examinations;

(d) overseeing the screening of applicants for licensing, renewal, reinstatement, and relicensure;

(e) assisting the commission in establishing standards of supervision for students or persons in training to become qualified to obtain a license in the occupation or profession it represents; and

(f) acting as presiding officer in conducting hearings associated with the adjudicative proceedings and in issuing recommended orders when so authorized by the commission.

(3) The division in collaboration with the Plumbers Licensing Board and the Electricians Licensing Board shall provide a preliminary report on or before October 1, 2019, and a final written report on or before June 1, 2020, to the Business and Labor Interim Committee and the Occupational and Professional Licensure Review Committee that provides recommendations for consistent educational and training standards for plumber and electrician apprentice programs in the state, including recommendations for education and training provided by all providers, including institutions of higher education and technical colleges.

Section ~~(f)~~4. Section **58-55-302** is amended to read:

58-55-302. Qualifications for licensure.

(1) Each applicant for a license under this chapter shall:

(a) submit an application prescribed by the division;

(b) pay a fee as determined by the department under Section 63J-1-504;

(c) ~~(f)~~ meet the examination requirements established by this section and by rule by

HB0187S01 compared with HB0187

the commission with the concurrence of the director, ~~[except that no examination, other than an examination as part of a 25-hour course described in Subsection (1)(e)(iii), is required for licensure as an apprentice electrician, apprentice plumber, or specialty contractor; or]~~ which requirements include:

(i) for licensure as an apprentice electrician, apprentice plumber, or specialty contractor, no division-administered examination is required;

(ii) for licensure as a general building contractor, general engineering contractor, residential and small commercial contractor, general plumbing contractor, residential plumbing contractor, general electrical contractor, or residential electrical contractor, the only required division-administered examination is a division-administered examination that covers information from the 25-hour course described in Subsection (1)(e)(iii), which course may have been previously completed as part of applying for any other license under this chapter, and the five-hour business law course described in Subsection (1)(e)(iv); and

~~[(ii)]~~ (iii) if required in Section 58-55-304, ~~[the]~~ an individual qualifier must pass the required division-administered examination if the applicant is a business entity;

(d) if an apprentice, identify the proposed supervisor of the apprenticeship;

(e) if an applicant for a contractor's license:

(i) produce satisfactory evidence of financial responsibility, except for a construction trades instructor for whom evidence of financial responsibility is not required;

(ii) produce satisfactory evidence of:

(A) except as provided in Subsection (2)(a), and except that no employment experience is required for licensure as a specialty contractor, two years full-time paid employment experience in the construction industry, which employment experience ~~[may be related to any contracting classification unless more specifically described in this section], unless more specifically described in this section, may be related to any contracting classification and does not have to include supervisory experience;~~ and

(B) knowledge of the principles of the conduct of business as a contractor, reasonably necessary for the protection of the public health, safety, and welfare;

(iii) except as otherwise provided by rule by the commission with the concurrence of the director, complete a 25-hour course established by rule by the commission with the concurrence of the director, which is taught by an approved prelicensure course provider, and

HB0187S01 compared with HB0187

which course may include:

- (A) construction business practices;
- (B) bookkeeping fundamentals;
- (C) mechanics lien fundamentals;
- (D) other aspects of business and construction principles considered important by the

commission with the concurrence of the director; and

(E) for no additional fee, ~~[an]~~ a provider-administered examination at the end of the 25-hour course;

(iv) complete a five-hour business and law course established by rule by the commission with the concurrence of the director, which is taught by an approved prec licensure course provider, if an applicant for licensure as a general building contractor, general engineering contractor, residential and small commercial contractor, general plumbing contractor, residential plumbing contractor, general electrical contractor, or residential electrical contractor;

~~[(iv)]~~ (v) (A) be a licensed master electrician if an applicant for an electrical contractor's license or a licensed master residential electrician if an applicant for a residential electrical contractor's license;

(B) be a licensed master plumber if an applicant for a plumbing contractor's license or a licensed master residential plumber if an applicant for a residential plumbing contractor's license; or

(C) be a licensed elevator mechanic and produce satisfactory evidence of three years experience as an elevator mechanic if an applicant for an elevator contractor's license; and

~~[(v)]~~ (vi) when the applicant is an unincorporated entity, provide a list of the one or more individuals who hold an ownership interest in the applicant as of the day on which the application is filed that includes for each individual:

(A) the individual's name, address, birth date, and social security number; and

(B) whether the individual will engage in a construction trade; and

(f) if an applicant for a construction trades instructor license, satisfy any additional requirements established by rule.

(2) (a) If the applicant for a contractor's license described in Subsection (1) is a building inspector, the applicant may satisfy Subsection (1)(e)(ii)(A) by producing satisfactory

HB0187S01 compared with HB0187

evidence of two years full-time paid employment experience as a building inspector, which shall include at least one year full-time experience as a licensed combination inspector.

(b) After approval of an applicant for a contractor's license by the applicable board and the division, the applicant shall file the following with the division before the division issues the license:

(i) proof of workers' compensation insurance which covers employees of the applicant in accordance with applicable Utah law;

(ii) proof of public liability insurance in coverage amounts and form established by rule except for a construction trades instructor for whom public liability insurance is not required; and

(iii) proof of registration as required by applicable law with the:

(A) Department of Commerce;

(B) Division of Corporations and Commercial Code;

(C) Unemployment Insurance Division in the Department of Workforce Services, for purposes of Title 35A, Chapter 4, Employment Security Act;

(D) State Tax Commission; and

(E) Internal Revenue Service.

(3) In addition to the general requirements for each applicant in Subsection (1), applicants shall comply with the following requirements to be licensed in the following classifications:

(a) (i) A master plumber shall produce satisfactory evidence that the applicant:

(A) has been a licensed journeyman plumber for at least two years and had two years of supervisory experience as a licensed journeyman plumber in accordance with division rule;

(B) has received at least an associate of applied science degree or similar degree following the completion of a course of study approved by the division and had one year of supervisory experience as a licensed journeyman plumber in accordance with division rule; or

(C) meets the qualifications ~~as determined by the division in collaboration with the board to be equivalent to Subsection (3)(a)(i)(A) or (B).~~ for expedited licensure as established by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that clearly demonstrate the applicant has the knowledge and skills to be a licensed master plumber.

HB0187S01 compared with HB0187

(ii) An individual holding a valid Utah license as a journeyman plumber, based on at least four years of practical experience as a licensed apprentice under the supervision of a licensed journeyman plumber and four years as a licensed journeyman plumber, in effect immediately prior to May 5, 2008, is on and after May 5, 2008, considered to hold a current master plumber license under this chapter, and satisfies the requirements of this Subsection (3)(a) for the purpose of renewal or reinstatement of that license under Section 58-55-303.

(iii) An individual holding a valid plumbing contractor's license or residential plumbing contractor's license, in effect immediately prior to May 5, 2008, is on or after May 5, 2008:

(A) considered to hold a current master plumber license under this chapter if licensed as a plumbing contractor and a journeyman plumber, and satisfies the requirements of this Subsection (3)(a) for purposes of renewal or reinstatement of that license under Section 58-55-303; and

(B) considered to hold a current residential master plumber license under this chapter if licensed as a residential plumbing contractor and a residential journeyman plumber, and satisfies the requirements of this Subsection (3)(a) for purposes of renewal or reinstatement of that license under Section 58-55-303.

(b) A master residential plumber applicant shall produce satisfactory evidence that the applicant:

(i) has been a licensed residential journeyman plumber for at least two years and had two years of supervisory experience as a licensed residential journeyman plumber in accordance with division rule; or

(ii) ~~meets the qualifications determined by the division in collaboration with the board to be equivalent to Subsection (3)(b)(i).~~ meets the qualifications for expedited licensure as established by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that clearly demonstrate the applicant has the knowledge and skills to be a licensed master residential plumber.

(c) A journeyman plumber applicant shall produce satisfactory evidence of:

(i) successful completion of the equivalent of at least four years of full-time training and instruction as a licensed apprentice plumber under supervision of a licensed master

HB0187S01 compared with HB0187

plumber or journeyman plumber and in accordance with a planned program of training approved by the division;

(ii) at least eight years of full-time experience approved by the division in collaboration with the Plumbers Licensing Board; or

(iii) ~~[satisfactory evidence of meeting the qualifications determined by the board to be equivalent to Subsection (3)(c)(i) or (c)(ii).]~~ meeting the qualifications for expedited licensure as established by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that clearly demonstrate the applicant has the knowledge and skills to be a licensed journeyman plumber.

(d) A residential journeyman plumber shall produce satisfactory evidence of:

(i) completion of the equivalent of at least three years of full-time training and instruction as a licensed apprentice plumber under the supervision of a licensed residential master plumber, licensed residential journeyman plumber, or licensed journeyman plumber in accordance with a planned program of training approved by the division;

(ii) completion of at least six years of full-time experience in a maintenance or repair trade involving substantial plumbing work; or

(iii) ~~[meeting the qualifications determined by the board to be equivalent to Subsection (3)(d)(i) or (d)(ii).]~~ meeting the qualifications for expedited licensure as established by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that clearly demonstrate the applicant has the knowledge and skills to be a licensed residential journeyman plumber.

(e) The conduct of licensed apprentice plumbers and their licensed supervisors shall be in accordance with the following:

(i) while engaging in the trade of plumbing, a licensed apprentice plumber shall be under the immediate supervision of a licensed master plumber, licensed residential master plumber, licensed journeyman plumber, or ~~[a]~~ licensed residential journeyman plumber; ~~[and]~~

(ii) beginning in a licensed apprentice plumber's fourth year of training, a licensed apprentice plumber ~~[in the fourth through tenth year of training]~~ may work without supervision for a period not to exceed eight hours in any 24-hour period~~[-, but if the apprentice does not become a licensed journeyman plumber or licensed residential journeyman plumber by the end of the tenth year of apprenticeship, this nonsupervision provision no longer applies.]; and~~

HB0187S01 compared with HB0187

(iii) rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, regarding the ratio of apprentices allowed under the immediate supervision of a licensed supervisor, including the ratio of apprentices in their fourth year of training or later that are allowed to be under the immediate supervision of a licensed supervisor.

(f) A master electrician applicant shall produce satisfactory evidence that the applicant:

(i) is a graduate electrical engineer of an accredited college or university approved by the division and has one year of practical electrical experience as a licensed apprentice electrician;

(ii) is a graduate of an electrical trade school, having received an associate of applied sciences degree following successful completion of a course of study approved by the division, and has two years of practical experience as a licensed journeyman electrician;

(iii) has four years of practical experience as a journeyman electrician; or

(iv) ~~meets the qualifications determined by the board to be equivalent to Subsection (3)(f)(i), (ii), or (iii).~~ meets the qualifications for expedited licensure as established by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that clearly demonstrate the applicant has the knowledge and skills to be a licensed master electrician.

(g) A master residential electrician applicant shall produce satisfactory evidence that the applicant:

(i) has at least two years of practical experience as a residential journeyman electrician;

or

(ii) ~~meets the qualifications determined by the board to be equivalent to this practical experience.~~ meets the qualifications for expedited licensure as established by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that clearly demonstrate the applicant has the knowledge and skills to be a master residential electrician.

(h) A journeyman electrician applicant shall produce satisfactory evidence that the applicant:

(i) has successfully completed at least four years of full-time training and instruction as a licensed apprentice electrician under the supervision of a master electrician or journeyman

HB0187S01 compared with HB0187

electrician and in accordance with a planned training program approved by the division;

(ii) has at least eight years of full-time experience approved by the division in collaboration with the Electricians Licensing Board; or

(iii) ~~meets the qualifications determined by the board to be equivalent to Subsection (3)(h)(i) or (ii).~~ meets the qualifications for expedited licensure as established by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that clearly demonstrate the applicant has the knowledge and skills to be a licensed journeyman electrician.

(i) A residential journeyman electrician applicant shall produce satisfactory evidence that the applicant:

(i) has successfully completed two years of training in an electrical training program approved by the division;

(ii) has four years of practical experience in wiring, installing, and repairing electrical apparatus and equipment for light, heat, and power under the supervision of a licensed master, journeyman, residential master, or residential journeyman electrician; or

(iii) ~~meets the qualifications determined by the division and applicable board to be equivalent to Subsection (3)(i)(i) or (ii).~~ meets the qualifications for expedited licensure as established by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that clearly demonstrate the applicant has the knowledge and skills to be a licensed residential journeyman electrician.

(j) The conduct of licensed apprentice electricians and their licensed supervisors shall be in accordance with the following:

(i) ~~{}A {}a~~ licensed apprentice electrician shall be under the immediate supervision of a licensed master, journeyman, residential master, or residential journeyman electrician~~{}.~~
~~An apprentice in the fourth year of training~~;

(ii) beginning in a licensed apprentice electrician's fourth year of training, a licensed apprentice electrician may work without supervision for a period not to exceed eight hours in any 24-hour period~~[-]~~;

~~(ii) {}A {}a~~ licensed master, journeyman, residential master, or residential journeyman electrician may have under immediate supervision on a residential project up to

HB0187S01 compared with HB0187

three licensed apprentice electricians ~~{ }~~ ~~{, and}~~

~~[(iii) ~~{ }~~ A ~~{ } a~~ licensed master or journeyman electrician may have under immediate supervision on nonresidential projects only one licensed apprentice electrician.]~~

(iii) rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, regarding the ratio of apprentices allowed under the immediate supervision of a licensed supervisor, including the ratio of apprentices in their fourth year of training or later that are allowed to be under the immediate supervision of a licensed supervisor; and

(iv) a licensed supervisor may have up to three licensed apprentice electricians on a residential project, or more if established by rules made by the commission, in concurrence with the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(k) An alarm company applicant shall:

(i) have a qualifying agent who is an officer, director, partner, proprietor, or manager of the applicant who:

(A) demonstrates 6,000 hours of experience in the alarm company business;

(B) demonstrates 2,000 hours of experience as a manager or administrator in the alarm company business or in a construction business; and

(C) passes an examination component established by rule by the commission with the concurrence of the director;

(ii) if a corporation, provide:

(A) the names, addresses, dates of birth, social security numbers, and fingerprint cards of all corporate officers, directors, and those responsible management personnel employed within the state or having direct responsibility for managing operations of the applicant within the state; and

(B) the names, addresses, dates of birth, social security numbers, and fingerprint cards of all shareholders owning 5% or more of the outstanding shares of the corporation, except this shall not be required if the stock is publicly listed and traded;

(iii) if a limited liability company, provide:

(A) the names, addresses, dates of birth, social security numbers, and fingerprint cards of all company officers, and those responsible management personnel employed within the

HB0187S01 compared with HB0187

state or having direct responsibility for managing operations of the applicant within the state;
and

(B) the names, addresses, dates of birth, social security numbers, and fingerprint cards of all individuals owning 5% or more of the equity of the company;

(iv) if a partnership, provide the names, addresses, dates of birth, social security numbers, and fingerprint cards of all general partners, and those responsible management personnel employed within the state or having direct responsibility for managing operations of the applicant within the state;

(v) if a proprietorship, provide the names, addresses, dates of birth, social security numbers, and fingerprint cards of the proprietor, and those responsible management personnel employed within the state or having direct responsibility for managing operations of the applicant within the state;

(vi) if a trust, provide the names, addresses, dates of birth, social security numbers, and fingerprint cards of the trustee, and those responsible management personnel employed within the state or having direct responsibility for managing operations of the applicant within the state;

(vii) be of good moral character in that officers, directors, shareholders described in Subsection (3)(k)(ii)(B), partners, proprietors, trustees, and responsible management personnel have not been convicted of a felony, a misdemeanor involving moral turpitude, or any other crime that when considered with the duties and responsibilities of an alarm company is considered by the board to indicate that the best interests of the public are served by granting the applicant a license;

(viii) document that none of the applicant's officers, directors, shareholders described in Subsection (3)(k)(ii)(B), partners, proprietors, trustees, and responsible management personnel have been declared by any court of competent jurisdiction incompetent by reason of mental defect or disease and not been restored;

(ix) document that none of the applicant's officers, directors, shareholders described in Subsection (3)(k)(ii)(B), partners, proprietors, and responsible management personnel are currently suffering from habitual drunkenness or from drug addiction or dependence;

(x) file and maintain with the division evidence of:

(A) comprehensive general liability insurance in form and in amounts to be established

HB0187S01 compared with HB0187

by rule by the commission with the concurrence of the director;

(B) workers' compensation insurance that covers employees of the applicant in accordance with applicable Utah law; and

(C) registration as is required by applicable law with the:

(I) Division of Corporations and Commercial Code;

(II) Unemployment Insurance Division in the Department of Workforce Services, for purposes of Title 35A, Chapter 4, Employment Security Act;

(III) State Tax Commission; and

(IV) Internal Revenue Service; and

(xi) meet with the division and board.

(l) Each applicant for licensure as an alarm company agent shall:

(i) submit an application in a form prescribed by the division accompanied by fingerprint cards;

(ii) pay a fee determined by the department under Section 63J-1-504;

(iii) be of good moral character in that the applicant has not been convicted of a felony, a misdemeanor involving moral turpitude, or any other crime that when considered with the duties and responsibilities of an alarm company agent is considered by the board to indicate that the best interests of the public are served by granting the applicant a license;

(iv) not have been declared by any court of competent jurisdiction incompetent by reason of mental defect or disease and not been restored;

(v) not be currently suffering from habitual drunkenness or from drug addiction or dependence; and

(vi) meet with the division and board if requested by the division or the board.

(m) (i) Each applicant for licensure as an elevator mechanic shall:

(A) provide documentation of experience and education credits of not less than three years work experience in the elevator industry, in construction, maintenance, or service and repair; and

(B) satisfactorily complete a written examination administered by the division established by rule under Section 58-1-203; or

(C) provide certificates of completion of an apprenticeship program for elevator mechanics, having standards substantially equal to those of this chapter and registered with the

HB0187S01 compared with HB0187

United States Department of Labor Bureau Apprenticeship and Training or a state apprenticeship council.

(ii) (A) If an elevator contractor licensed under this chapter cannot find a licensed elevator mechanic to perform the work of erecting, constructing, installing, altering, servicing, repairing, or maintaining an elevator, the contractor may:

(I) notify the division of the unavailability of licensed personnel; and

(II) request the division issue a temporary elevator mechanic license to an individual certified by the contractor as having an acceptable combination of documented experience and education to perform the work described in this Subsection (3)(m)(ii)(A).

(B) (I) The division may issue a temporary elevator mechanic license to an individual certified under Subsection (3)(m)(ii)(A)(II) upon application by the individual, accompanied by the appropriate fee as determined by the department under Section 63J-1-504.

(II) The division shall specify the time period for which the license is valid and may renew the license for an additional time period upon its determination that a shortage of licensed elevator mechanics continues to exist.

(4) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the division may make rules establishing when Federal Bureau of Investigation records shall be checked for applicants as an alarm company or alarm company agent.

(5) To determine if an applicant meets the qualifications of Subsections (3)(k)(vii) and (3)(l)(iii), the division shall provide an appropriate number of copies of fingerprint cards to the Department of Public Safety with the division's request to:

(a) conduct a search of records of the Department of Public Safety for criminal history information relating to each applicant for licensure as an alarm company or alarm company agent and each applicant's officers, directors, shareholders described in Subsection (3)(k)(ii)(B), partners, proprietors, and responsible management personnel; and

(b) forward to the Federal Bureau of Investigation a fingerprint card of each applicant requiring a check of records of the Federal Bureau of Investigation for criminal history information under this section.

(6) The Department of Public Safety shall send to the division:

(a) a written record of criminal history, or certification of no criminal history record, as contained in the records of the Department of Public Safety in a timely manner after receipt of

HB0187S01 compared with HB0187

a fingerprint card from the division and a request for review of Department of Public Safety records; and

(b) the results of the Federal Bureau of Investigation review concerning an applicant in a timely manner after receipt of information from the Federal Bureau of Investigation.

(7) (a) The division shall charge each applicant for licensure as an alarm company or alarm company agent a fee, in accordance with Section 63J-1-504, equal to the cost of performing the records reviews under this section.

(b) The division shall pay the Department of Public Safety the costs of all records reviews, and the Department of Public Safety shall pay the Federal Bureau of Investigation the costs of records reviews under this section.

(8) Information obtained by the division from the reviews of criminal history records of the Department of Public Safety and the Federal Bureau of Investigation shall be used or disseminated by the division only for the purpose of determining if an applicant for licensure as an alarm company or alarm company agent is qualified for licensure.

(9) (a) An application for licensure under this chapter shall be denied if:

(i) the applicant has had a previous license, which was issued under this chapter, suspended or revoked within two years before the date of the applicant's application;

(ii) (A) the applicant is a partnership, corporation, or limited liability company; and

(B) any corporate officer, director, shareholder holding 25% or more of the stock in the applicant, partner, member, agent acting as a qualifier, or any person occupying a similar status, performing similar functions, or directly or indirectly controlling the applicant has served in any similar capacity with any person or entity which has had a previous license, which was issued under this chapter, suspended or revoked within two years before the date of the applicant's application;

(iii) (A) the applicant is an individual or sole proprietorship; and

(B) any owner or agent acting as a qualifier has served in any capacity listed in Subsection (9)(a)(ii)(B) in any entity which has had a previous license, which was issued under this chapter, suspended or revoked within two years before the date of the applicant's application; or

(iv) (A) the applicant includes an individual who was an owner, director, or officer of an unincorporated entity at the time the entity's license under this chapter was revoked; and

HB0187S01 compared with HB0187

(B) the application for licensure is filed within 60 months after the revocation of the unincorporated entity's license.

(b) An application for licensure under this chapter shall be reviewed by the appropriate licensing board prior to approval if:

(i) the applicant has had a previous license, which was issued under this chapter, suspended or revoked more than two years before the date of the applicant's application;

(ii) (A) the applicant is a partnership, corporation, or limited liability company; and

(B) any corporate officer, director, shareholder holding 25% or more of the stock in the applicant, partner, member, agent acting as a qualifier, or any person occupying a similar status, performing similar functions, or directly or indirectly controlling the applicant has served in any similar capacity with any person or entity which has had a previous license, which was issued under this chapter, suspended or revoked more than two years before the date of the applicant's application; or

(iii) (A) the applicant is an individual or sole proprietorship; and

(B) any owner or agent acting as a qualifier has served in any capacity listed in Subsection (9)(b)(ii)(B) in any entity which has had a previous license, which was issued under this chapter, suspended or revoked more than two years before the date of the applicant's application.

(10) (a) (i) A licensee that is an unincorporated entity shall file an ownership status report with the division every 30 days after the day on which the license is issued if the licensee has more than five owners who are individuals who:

(A) own an interest in the contractor that is an unincorporated entity;

(B) own, directly or indirectly, less than an 8% interest, as defined by rule made by the division in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, in the unincorporated entity; and

(C) engage, or will engage, in a construction trade in the state as owners of the contractor described in Subsection (10)(a)(i)(A).

(ii) If the licensee has five or fewer owners described in Subsection (10)(a)(i), the licensee shall provide the ownership status report with an application for renewal of licensure.

(b) An ownership status report required under this Subsection (10) shall:

(i) specify each addition or deletion of an owner:

HB0187S01 compared with HB0187

(A) for the first ownership status report, after the day on which the unincorporated entity is licensed under this chapter; and

(B) for a subsequent ownership status report, after the day on which the previous ownership status report is filed;

(ii) be in a format prescribed by the division that includes for each owner, regardless of the owner's percentage ownership in the unincorporated entity, the information described in Subsection(1)(e)[~~(v)~~](vi);

(iii) list the name of:

(A) each officer or manager of the unincorporated entity; and

(B) each other individual involved in the operation, supervision, or management of the unincorporated entity; and

(iv) be accompanied by a fee set by the division in accordance with Section 63J-1-504 if the ownership status report indicates there is a change described in Subsection (10)(b)(i).

(c) The division may, at any time, audit an ownership status report under this Subsection (10):

(i) to determine if financial responsibility has been demonstrated or maintained as required under Section 58-55-306; and

(ii) to determine compliance with Subsection 58-55-501(24), (25), or (27) or Subsection 58-55-502(8) or (9).

(11) (a) An unincorporated entity that provides labor to an entity licensed under this chapter by providing an individual who owns an interest in the unincorporated entity to engage in a construction trade in Utah shall file with the division:

(i) before the individual who owns an interest in the unincorporated entity engages in a construction trade in Utah, a current list of the one or more individuals who hold an ownership interest in the unincorporated entity that includes for each individual:

(A) the individual's name, address, birth date, and social security number; and

(B) whether the individual will engage in a construction trade; and

(ii) every 30 days after the day on which the unincorporated entity provides the list described in Subsection (11)(a)(i), an ownership status report containing the information that would be required under Subsection (10) if the unincorporated entity were a licensed contractor.

HB0187S01 compared with HB0187

(b) When filing an ownership list described in Subsection (11)(a)(i) or an ownership status report described in Subsection (11)(a)(ii), an unincorporated entity shall pay a fee set by the division in accordance with Section 63J-1-504.

(12) This chapter may not be interpreted to create or support an express or implied independent contractor relationship between an unincorporated entity described in Subsection (10) or (11) and the owners of the unincorporated entity for any purpose, including income tax withholding.

(13) A social security number provided under Subsection (1)(e)~~[(v)]~~[(vi)] is a private record under Subsection 63G-2-302(1)(i).

Section 5. Section 58-55-302.5 is amended to read:

58-55-302.5. Continuing education requirements for contractor licensees --
Continuing education courses.

(1) (a) Each contractor licensee under a license issued under this chapter shall complete six hours of approved continuing education during each two-year renewal cycle established by rule under Subsection 58-55-303(1).

(b) Each contractor licensee who has a renewal cycle that ends on or after January 1, 2020, shall complete one hour of approved continuing education on energy conservation as part of the six required hours.

(2) (a) The commission shall, with the concurrence of the division, establish by rule a program of approved continuing education for contractor licensees.

(b) Except as provided in Subsection (2)(e), beginning on or after June 1, 2015, only courses offered by any of the following may be included in the program of approved continuing education for contractor licensees:

(i) the Associated General Contractors of Utah;

(ii) Associated Builders and Contractors, Utah Chapter;

(iii) the Home Builders Association of Utah;

(iv) the National Electrical Contractors Association Intermountain Chapter;

(v) the Utah Plumbing & Heating Contractors Association;

(vi) the Independent Electrical Contractors of Utah;

(vii) the Rocky Mountain Gas Association;

(viii) the Utah Mechanical Contractors Association;

HB0187S01 compared with HB0187

(ix) the Sheet Metal Contractors Association;

(x) the Intermountain Electrical Association;

(xi) the Builders Bid Service of Utah; or

(xii) Utah Roofing Contractors Association.

(c) An approved continuing education program for a contractor licensee may include a course approved by an entity described in Subsections (2)(b)(i) through (2)(b)(iii).

(d) (i) Except as provided in Subsections (2)(d)(ii) and (iii), an entity listed in Subsections (2)(b)(iv) through (2)(b)(xii) may only offer and market continuing education courses to a licensee who is a member of the entity.

(ii) An entity described in Subsection (2)(b)(iv), (vi), or (x) may offer and market a continuing education course that the entity offers to satisfy the continuing education requirement described in Subsection 58-55-302.7(2)(a) to a contractor in the electrical trade.

(iii) An entity described in Subsection (2)(b)(v) or (viii) may offer and market a continuing education course that the entity offers to satisfy the continuing education requirement described in Subsection 58-55-302.7(2)(b) to a contractor in the plumbing trade.

(e) On or after June 1, 2015, an approved continuing education program for a contractor licensee may include a course offered and taught by:

(i) a state executive branch agency;

(ii) the workers' compensation insurance carrier that provides workers' compensation insurance under Section 31A-22-1001; or

(iii) a nationally or regionally accredited college or university that has a physical campus in the state.

(f) On or after June 1, 2017, for a contractor licensee that is licensed in the specialty contractor classification of HVAC contractor, at least three of the six hours described in Subsection (1) shall include continuing education directly related to the installation, repair, or replacement of a heating, ventilation, or air conditioning system.

(3) The division may contract with a person to establish and maintain a continuing education registry to include:

(a) a list of courses that the division has approved for inclusion in the program of approved continuing education; and

(b) a list of courses that:

HB0187S01 compared with HB0187

(i) a contractor licensee has completed under the program of approved continuing education; and

(ii) the licensee may access to monitor the licensee's compliance with the continuing education requirement established under Subsection (1).

(4) The division may charge a fee, as established by the division under Section 63J-1-504, to administer the requirements of this section.

Section 6. Section 58-55-305 is amended to read:

58-55-305. Exemptions from licensure.

(1) In addition to the exemptions from licensure in Section 58-1-307, the following persons may engage in acts or practices included within the practice of construction trades, subject to the stated circumstances and limitations, without being licensed under this chapter:

(a) an authorized representative of the United States government or an authorized employee of the state or any of its political subdivisions when working on construction work of the state or the subdivision, and when acting within the terms of the person's trust, office, or employment;

(b) a person engaged in construction or operation incidental to the construction and repair of irrigation and drainage ditches of regularly constituted irrigation districts, reclamation districts, and drainage districts or construction and repair relating to farming, dairying, agriculture, livestock or poultry raising, metal and coal mining, quarries, sand and gravel excavations, well drilling, as defined in Section 73-3-25, hauling to and from construction sites, and lumbering;

(c) public utilities operating under the rules of the Public Service Commission on work incidental to their own business;

(d) sole owners of property engaged in building:

(i) no more than one residential structure per year and no more than three residential structures per five years on their property for their own noncommercial, nonpublic use; except, a person other than the property owner or individuals described in Subsection (1)(e), who engages in building the structure must be licensed under this chapter if the person is otherwise required to be licensed under this chapter; or

(ii) structures on their property for their own noncommercial, nonpublic use which are incidental to a residential structure on the property, including sheds, carports, or detached

HB0187S01 compared with HB0187

garages;

(e) (i) a person engaged in construction or renovation of a residential building for noncommercial, nonpublic use if that person:

(A) works without compensation other than token compensation that is not considered salary or wages; and

(B) works under the direction of the property owner who engages in building the structure; and

(ii) as used in this Subsection (1)(e), "token compensation" means compensation paid by a sole owner of property exempted from licensure under Subsection (1)(d) to a person exempted from licensure under this Subsection (1)(e), that is:

(A) minimal in value when compared with the fair market value of the services provided by the person;

(B) not related to the fair market value of the services provided by the person; and

(C) is incidental to the providing of services by the person including paying for or providing meals or refreshment while services are being provided, or paying reasonable transportation costs incurred by the person in travel to the site of construction;

(f) a person engaged in the sale or merchandising of personal property that by its design or manufacture may be attached, installed, or otherwise affixed to real property who has contracted with a person, firm, or corporation licensed under this chapter to install, affix, or attach that property;

(g) a contractor submitting a bid on a federal aid highway project, if, before undertaking construction under that bid, the contractor is licensed under this chapter;

(h) (i) subject to Subsection 58-1-401(2) and Sections 58-55-501 and 58-55-502, a person engaged in the alteration, repair, remodeling, or addition to or improvement of a building with a contracted or agreed value of less than \$3,000, including both labor and materials, and including all changes or additions to the contracted or agreed upon work; and

(ii) notwithstanding Subsection (1)(h)(i) and except as otherwise provided in this section:

(A) work in the plumbing and electrical trades on a Subsection (1)(h)(i) project within any six month period of time;

(I) must be performed by a licensed electrical or plumbing contractor, if the project

HB0187S01 compared with HB0187

involves an electrical or plumbing system; and

(II) may be performed by a licensed journeyman electrician or plumber or an individual referred to in Subsection (1)(h)(ii)(A)(I), if the project involves a component of the system such as a faucet, toilet, fixture, device, outlet, or electrical switch;

(B) installation, repair, or replacement of a residential or commercial gas appliance or a combustion system on a Subsection (1)(h)(i) project must be performed by a person who has received certification under Subsection 58-55-308(2) except as otherwise provided in Subsection 58-55-308(2)(d) or 58-55-308(3);

(C) installation, repair, or replacement of water-based fire protection systems on a Subsection (1)(h)(i) project must be performed by a licensed fire suppression systems contractor or a licensed journeyman plumber;

(D) work as an alarm business or company or as an alarm company agent shall be performed by a licensed alarm business or company or a licensed alarm company agent, except as otherwise provided in this chapter;

(E) installation, repair, or replacement of an alarm system on a Subsection (1)(h)(i) project must be performed by a licensed alarm business or company or a licensed alarm company agent;

(F) installation, repair, or replacement of a heating, ventilation, or air conditioning system (HVAC) on a Subsection (1)(h)(i) project must be performed by an HVAC contractor licensed by the division;

(G) installation, repair, or replacement of a radon mitigation system or a soil depressurization system must be performed by a licensed contractor; and

(H) if the total value of the project is greater than \$1,000, the person shall file with the division a one-time affirmation, subject to periodic reaffirmation as established by division rule, that the person has:

(I) public liability insurance in coverage amounts and form established by division rule; and

(II) if applicable, workers compensation insurance which would cover an employee of the person if that employee worked on the construction project;

(i) a person practicing a specialty contractor classification or construction trade which the director does not classify by administrative rule as significantly impacting the public's

health, safety, and welfare;

(j) owners and lessees of property and persons regularly employed for wages by owners or lessees of property or their agents for the purpose of maintaining the property, are exempt from this chapter when doing work upon the property;

(k) (i) a person engaged in minor plumbing work that is incidental, as defined by the division by rule, to the replacement or repair of a fixture or an appliance in a residential or small commercial building, or structure used for agricultural use, as defined in Section 15A-1-202, provided that no modification is made to:

(A) existing culinary water, soil, waste, or vent piping; or

(B) a gas appliance or combustion system; and

(ii) except as provided in Subsection (1)(e), installation for the first time of a fixture or an appliance is not included in the exemption provided under Subsection (1)(k)(i);

(l) a person who ordinarily would be subject to the plumber licensure requirements under this chapter when installing or repairing a water conditioner or other water treatment apparatus if the conditioner or apparatus:

(i) meets the appropriate state construction codes or local plumbing standards; and

(ii) is installed or repaired under the direction of a person authorized to do the work under an appropriate specialty contractor license;

(m) a person who ordinarily would be subject to the electrician licensure requirements under this chapter when employed by:

(i) railroad corporations, telephone corporations or their corporate affiliates, elevator contractors or constructors, or street railway systems; or

(ii) public service corporations, rural electrification associations, or municipal utilities who generate, distribute, or sell electrical energy for light, heat, or power;

(n) a person involved in minor electrical work incidental to a mechanical or service installation, including the outdoor installation of an above-ground, prebuilt hot tub;

(o) a person who ordinarily would be subject to the electrician licensure requirements under this chapter but who during calendar years 2009, 2010, or 2011 was issued a specialty contractor license for the electrical work associated with the installation, repair, or maintenance of solar energy panels, may continue the limited electrical work for solar energy panels under a specialty contractor license;

HB0187S01 compared with HB0187

(p) a student participating in construction trade education and training programs approved by the commission with the concurrence of the director under the condition that:

(i) all work intended as a part of a finished product on which there would normally be an inspection by a building inspector is, in fact, inspected and found acceptable by a licensed building inspector; and

(ii) a licensed contractor obtains the necessary building permits;

(q) a delivery person when replacing any of the following existing equipment with a new gas appliance, provided there is an existing gas shutoff valve at the appliance:

(i) gas range;

(ii) gas dryer;

(iii) outdoor gas barbeque; or

(iv) outdoor gas patio heater;

(r) a person performing maintenance on an elevator as defined in Subsection 58-55-102[(14)](15), if the maintenance is not related to the operating integrity of the elevator; and

(s) an apprentice or helper of an elevator mechanic licensed under this chapter when working under the general direction of the licensed elevator mechanic.

(2) A compliance agency as defined in Section 15A-1-202 that issues a building permit to a person requesting a permit as a sole owner of property referred to in Subsection (1)(d) shall notify the division, in writing or through electronic transmission, of the issuance of the permit.
